## **Health Care 4 All International**

### **Chairman's Annual Report for Period 2018 - 19**

The Chairman Board of Trustees of Health Care 4 All International present their annual report and audited accounts for the period 01 February 2018 to 31 January 2019, and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

- This report was agreed and accepted at the HC4AI AGM

#### **Summary of Background and Aims:**

Formed in 2014 Health Care 4 All International (HC4AI) is a totally 'not for profit' charity organisation registered with the charity commission UK and interior ministry and PCP in Pakistan as well as with the Kashmir Council and Societies. It is a small organisation that has no corporate backing and is funded solely by personal funding and individual supporters.

Our services, including consultation, treatment, medicines and transport all are completely free to all deserving patients in the rural and remote communities.

HC4AI was registered as a charity on 8<sup>th</sup> September 2014 (REGISTERED CHARITY NO. UK 1158474)

#### ***AIM; Providing Good Quality, Easily Accessible and Cost Effective Primary Health Care to Rural and Remote communities***

We aim to provide good quality, cost effective and easily accessible healthcare to the rural and remote communities who either have none or have very difficult access to healthcare. This is done via modified Telemedicine technique. To accomplish this we have developed a unique **Novel Hybrid System of Telemedicine (NHST)**.

**NHST is quite simple** and basic; instead of providing telecom equipment to every household of the village and training them in its use it, we selected men and women from these villages with some medical background (nursing, Lady Health Visitors and Lady Health Workers, paramedic, dispensers etc.), trained them in the

use of technology and updated on routine and emergency medical practice, equipped them with tablet computers, downloaded it with our own indigenously developed Electronic Health Record (EHR) software and located them in a central place (The Base Unit-Monitoring Centre) from where they can reach any household in the village when called upon. In short **they become the mouthpiece of the community**, an interface between the community dwellers and the medical facility. We call them '**Community Health Workers' (CHW)**. These CHW's then communicate via video/audio link from the patients' home with the medical personnel who are located remotely. **We provide the service non-stop 24 hours a day 365 days a year**

### ***Antenatal, and Neonatal Care, Health Awareness and Disease Prevention Programme***

In addition to providing treatment we also work hard on registering all pregnant ladies on our EMR and follow them regularly throughout their pregnancy and provide them information and assistance after delivery for both mother and baby.

We have now longstanding disease prevention and health awareness programmes for the communities.

Our Community Medical Assistants-CMA (previously called Community Health Workers-CHW), medical officers and visiting doctors (from abroad/UK) conduct these health awareness Programme.

We remain committed to our three different awareness programmes:

1. Community Health Awareness: Open for all community dwellers
2. Women's Health Awareness: For women of the communities in their homes
3. Children's Health Awareness: Conducted for children in schools.

### ***The Beginning:***

In 2014 we started the project as a pilot study covering a population of 3000 from villages of Mawa Rarrah in Mirpur District AJ&K Pakistan. Success of the project was soon apparent and the demand from the other communities was so overwhelming that pilot study was converted into full service provision.

We soon expanded into surrounding villages at minimal extra cost and by the end of 2016 we were looking after a population of about 20,000.

In early 2017 we appointed a lady Doctor/Obs. & Gynae. & bought a portable ultrasound to provide antenatal care to all pregnant ladies in the community. By 2018 we were ready to scale up the Centre was and re-locate at Chakswari.

## ***Our Achievements and Experience during 2018-2019***

### ***Relocation of the Base Unit-Community Health and Telemedicine Centre:***

This was the year when we started scaling up the project. The need to do this was not only to provide health care to as many people as possible but also by increasing the catchment area (population base), without much increase in cost, we expect to bring down significantly the cost of providing the service per person per annum.

In October of 2018 we made the major move and re-located HC4AI base unit from Mawa Rarrah to about 25 KM north in Chakswari.

The new location, still in Mirpur District of AJ&K, is situated in a much more densely populated central place on the main spine road that connects Mirpur city to Dudial and Kotli. The landscape is similar with dam, peninsulas jutting into the huge Mangla Lake with marshy land on one side and rough but beautiful tall mountains on the other side.

This move has not only provided much easier access to a population of over 50,000 in Chakswari and its widely scattered villages but also a better telecommunication connectivity to the more remote areas particularly in the mountains that houses another about 20,000 people. It also has better Wi-Fi signals with 3G available in many areas. 4G signals are also available in some parts. We keep our own antennae's now to only the blind spots for Wi-Fi thus improving overall our Internet connections and telemedicine facility.

**However all these improvements came at a substantial cost and efforts.**

### ***Building***

Kamran Mughal and his brothers of Leeds/Bradford dedicated in the memory of their deceased father Haji Mohammad Sadiq donated Land with bare infrastructure to us (8 year renewable contract). We then built upon it the Centre to our specifications and requirements. The Base Unit-Health Care Centre now looks much more purpose built and has become a central point of reference for the community.

### ***Telemedicine Monitoring Centre***

Our Community Health Care Centre building doubles up as Telemedicine Monitoring Centre. With a separate area dedicated for this purpose we have two telephone lines (a land line and a mobile) for the patients to contact us any time of the day or night if they require our services to wherever they are located. With computers, Internet connection (x3 back up connections) and our EHR they respond to calls and mobilize the on-call teams to reach the patients swiftly. In emergency cases our response time from the Centre to the patient averages about 15-20 minutes.

### ***Solar Power***

The new building gets most of its electrical requirements through greener solar power with storage cellular batteries. Ms Y Dhami of London made a substantial contribution in the installation of the solar power system. This is not only environmentally friendly but has also reduced our electric bill to a huge extent. It is much more reliable than the temperamental grid power.

### ***Laboratory***

We introduced a fairly well equipped laboratory, which rapidly provides most of the essential biochemistry and haematology results; this helps our clinical staff in better management of the patients. We have appointed a Laboratory trained technician who shares the responsibility of managing the pharmacy with one of our old Community Medical Assistant-CMA (previously called Community Health Workers-CHW) who is also qualified laboratory medical technology.

Choudhry Mohammad Younis of Regal Food Industries Bradford donated a substantial amount towards the purchase of most of the laboratory equipment and several new machines. He also helps on a regular basis funds required for the upkeep of the laboratory

### ***Pharmacy***

A bigger licensed pharmacy with extended inventory and facilities occupies a part of the frontage at the centre. A qualified pharmacist and dispenser run and manage the pharmacy under HC4AI banner. This pharmacy caters not only for the needs of all medical supplies to the patients who are managed through our facility but also is open for all from far and wide who want to avail this 24 hour service

### ***Minor Operation Theatre (MOT)***

This new look MOT now looks more like how a minor operating room should be. It is reasonably well equipped to deal with minor traumas and emergencies. Three of our CMA's are trained in A&E and skillfully manage the MOT under the supervision of our doctors. It has its own autoclave and sterilizer with multiple separately packed minor operating sets and fracture stabilizing equipment with first aid facilities.

### ***Detention/Observation Beds***

We have four detention/observation beds at the Centre for patients who need to be detained for clinical reasons. This room is equipped for continuous patient monitoring of vitals as well as a Crash Trolley, ECG and Defibrillators.

### ***New Hospital Management System (HMS) and Electronic Health Record with Video Platform and Our own Servers***

The HMS purchased last year is in operation now; it is however going through the normal glitches and hiccups of a new system software. It is expected to streamline most of our clinical, accounts and stock record when in full and smooth working. This is an ongoing process.

We have our own three servers located in the server rooms of Mirpur University of Science and Technology (MUST). We remain grateful to them for their continuing support. These servers store the HMS software and all our work data securely. It will help us enormously in data analysis and project evaluation whenever we require and stop our reliance on other data storage facilities.

### ***Governance Structure***

While the HC4AI Board of Trustees (BoT) and governance structure at the strategic end in UK remains essentially unchanged, apart from the addition of two new trustees on the board following recent re-election process; we welcome them. However we have revamped our governance structure at the operations end in Pakistan.

One of the SVP (medical matters) Dr A Q Akhter has accepted the position of Medical Director (MD), a voluntary post. He will oversee all the operational matters and will be reporting to the HC4AI Chair and BoT AJK.

Three new directorates have been created to manage the operations smoothly

1. Management including accounts; headed by the project manager (PM)
2. Clinical; headed by Clinical Director (CD) the senior clinician
3. Community; Coordination Committee (CCC)

### ***Accounts***

Accounts are kept on site by supervisor and bookkeeper on a daily basis. The accountant manages and prepares these accounts for review and auditing. All accounting is done on electronic accounts software, which will be incorporated into the main platform of HMS.

### ***Community Coordination Committee***

This is a vital group to keep our focus on the community-the beneficiaries. It is composed of representatives from the various villages and its members are all on a volunteers (Voice of the community). The committee chair is member of this group and is elected by the members themselves.

The purpose of this committee is:

1. Help in registration on our data base of all individuals and households in their respective villages
2. Identify people who are poor and eligible for free treatment. Identify people who are not so well off and are eligible for subsidized treatment (10-90% subsidy)
3. Bring feedback from the community and on our performance and the needs of the community
4. Meet on regular basis with hospital committee (composed of MD, CD & PM) to discuss and address any matters of concern and provide solutions for service improvement.

### **Team Work**

HC4AI has a very relaxed and friendly atmosphere. This helps greatly in the morale of the staff and encourages them in improving performance. Our staff is trained to do multitasking and help each other in improving patient care. We have separate rest and sleeping areas for our staff with basic catering and entertainment provision.

### **Board of Trustees UK**

- 1 **Chair:** Mr. Syed Tariq Kazim Shah: MBBS. MRCS. LRCP. MMed. FRCS. Senior Lecturer, Consultant Urological Surgeon, The Yorkshire Clinic, Bingley Road, Bradford BD16 1TW. West Yorkshire UK
- 2 **Vice Chair:** Dr (Mrs) Tasneem A Tariq. FRCOG Consultant Obstetrician Gynecologist Hon. Mid York NHS Trust.
- 3 **Secretary:** Dr Akram Khan. MBBS. MRCP. Clinical Chair Bradford City Clinical Commissioning Group. GP Principal, Avicenna Med Practice Bluebell Building, Barkerend Health Clinic, Barkerend Road Bradford BD3 9QH UK
- 4 **Treasurer (outgoing):** Mr. Dilshad Khan. CQSW. MBA. MIHSM. JP Director Equality & Diversity (Rtd.) Bradford Teaching Hospital Trust.
- 5 **Trustee:** Mr Mohammad Ajeeb. CBE Ex Chairman City Primary Care Trust Bradford. Ex Lord Mayor Bradford
- 6 **Trustee:** Mr. Asif Saleem Managing Director Nafees Bakers LTD Bradford.
- 7 **Trustee & nominated Treasurer:** Mr Arif Khan (To be notified to CC Eng.): Member AAT & AAIA Accountancy. BPP University law School Leeds Director Arif Khan accountants
- 8 **Trustee:** Mr Younis Choudhry CEO Regal Food Products Bradford

#### **New Trustees:**

- 9 Ms Shanaz Saddique
- 10 Mrs Shazia Zamee

## Our partners:

HC4AI acknowledges that without the support of key individuals and organizations this project would not have been feasible. We have come across many individuals who have worked tirelessly in the background to make this project a success (many have asked to remain anonymous), but we would like to take this opportunity to say thank you to all. Although most of our previous partners remain with us we have established new link:

- Mirpur University of Science and Technology (MoU)
- Huddersfield University faculty of Medicines and Healthcare Dept. of Pharmacology
- Bayswater Institute London
- Intelcare Islamabad Pakistan
- Government of AJK Ministry of Health (MoU to be renewed)
- State School of Nursing Mirpur, AJK

## Guidance and Support

HC4AI is extremely grateful to the large number of our supporters and well-wishers. I have no doubt that without their help this project would never have the success it has achieved.

I am specially obligated to the following individuals for their support and guidance. A number of individuals wish to remain anonymous we respect their wishes:

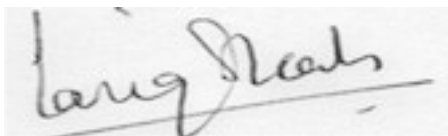

- **(Late) Haji Mohammad Saleem and Rafay Saleem** for providing invaluable support, advice and unconditional help in arranging and facilitating all the trips of HC4AI to AJK
- **Mr Asif Saleem** (Nafees Barkers LTD) for the use of his office and support of his staff in the running and administration of HC4AI;
- **Rafay Saleem;** For hosting and welcoming HC4AI visits to Mirpur and providing invaluable insight and advice
- **M Younis Choudhry** of Regal Food Industries Bradford for continuing financial generosity
- **Mr Steve Davison** for continuous support, editing regular newsletter and unflinching, dependable and unconditional help
- **Mohammad Haroon and family** of Leeds for his unflinching support, advice and help in fund raising
- **Luqman Rashid** for infusing enthusiasm, always being available and help in organizing events and fund raising
- **Tahir Luqman** for his generous financial and moral support & advice
- **Kamran Mughal and Brothers** for donating the land and help in building our new centre in ``Chakswari
- **Ms Y Dhami** for both generous financial and moral support
- **Mr Arif Khan** Bradford for preparing accounts and financial report

- **Mr Abid Hussain** of Leeds for his generous contribution and compeering for fund raising event
  - **Dr Taimur Shah and Imran Azad** for IT development and website support
  - **Sohail Ali** for being available for advice and help any time
  - **Mr Haji M Aslam** of the Aagrah Group of Restaurants
  - **Mohammad Afsar and friends of Dewsbury** for help in fund raising
  - **Cllr Khadim Hussain** for advice and help in fund raising
  - **Mr Adam Hoare** for support, cooperation and advice in grant applications
  - **Mrs Shanaz Saddique** for her help with fundraising
  - **Hanif Malik** for compeering the fund raising event
  - **Rashid Saleem and Mrs Rashid** for advice on construction of the new centre at Chakswari and with accounts and bookkeeping
  - **All the members of HC4AI UK Working Group**
  - **Numerous friends and supporters in Mirpur, Chakswari and UK cities especially Bradford** who are always ready to help and provide advice with a smile
- Lastly but not the least
- **Ali Ibn Khalid** for his work above and beyond the call of duty
- And
- **Dr Abdul Quddus Akhter** for his friendship and being there whenever help is needed

### **Special Thank You**

As previous a huge thank you to the **HC4AI Board of Trustees UK (Strategic Board)** and **HC4AI Board of Trustees AJK (Organizational Board)** for their time and complete support in guiding the policies and operations of the project.

My final thank you goes to my wife **Dr (Mrs) Tasneem Aslam Tariq** for her patience, unconditional and relentless support and guidance and for her endurance during the difficult times of the project. She remains a member of the BoT UK

**Chairman Dr. Tariq Shah and  
Board of Trustees  
Healthcare 4All International**

## **Summarized Donations and Expenses**

**Account Period: 01.02.2018 to 31.01.2019**

**Details of Audited Accounts of  
HC4AI UK and HC4AI AJK are  
attached separately**

We are extremely grateful to all our friends and families who have contributed to this project, and without whom this project would not have materialized. We would like to acknowledge all the donations from individuals and organizations, unfortunately as many of our donors wished to remain anonymous and because of the data protection act, we have not been able to secure permission for the individual donors we are unable to highlight such generous individuals. To all our supporters we hope that GOD gives them the rewards in this world and the Hereafter.

- 1 The Charity has received significant donations from individuals and organizations both within the UK and Pakistan. For the purpose of this report we will be only highlight donations received from UK donors.**
- 2 There have been some individuals and organizations that are UK based but who donated in Pakistan, these individuals and organizations will be acknowledged in the Health Care 4 All Pakistan Annual Report.
- 3 Table of Donations and Expenses summary

**HC4AI AJK**  
**NOTES TO THE FINANCIAL STATEMENTS**

## FOR YEAR ENDED 30 JUNE 2019

### 1 The Organization and Its Operations

1.1 The Society was registered under the Society Registration Act, 1860 as a Non-Profit Organization (NPO) by the name of HEALTH CARE 4 ALL INTERNATIONAL (HC4AI). The registered office of the Society is situated at State of Azad Jammu & Kashmir.

1.2 The principal objective of the HC4AI is to provide health care, facilitation by use of Tele Medicine and Tele Health technology through a network of Community Health Worker (CHW) to remote rural communities in Azad Jammu & Kashmir (AJ&K) and Pakistan who otherwise do not have easy or any access to health emphasis on maternal and child health and prevention of diseases. In 2014 we started from villages of Mawa Rarrah with our monitoring center at Rarrah Welfare Hospital serving approximately 10-15,000 population. In 2018 we relocated our Community Health and Telemedicine Monitoring Center to Chakswari, this will boast the population we serve to approximately 70,000 and includes dozens of small remote villages in the rural.

### 2 Summary of Significant Accounting Policies

#### 2.1 Accounting Convention

These Financial statements have been prepared under the historical cost convention, except for measurement of certain financial instrument at fair value.

#### 2.2 Trade and other Payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Organization.

#### 2.3 Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation at the rate indicated in Note No. 5. Depreciation is charged through application of reducing balance method. Full depreciation is charged in the year of acquisition of an asset and no depreciation is charged in the year of disposal. Major renewals and improvement are capitalized.

#### 2.4 Taxation

The tax charged under clause 36 of section 2 of the Income Tax Ordinance 2001, by taking into account the current Income Tax Laws and recognized in the Income & Expenditure Account. The law allows a tax credit equal to 100% of the tax payable, including minimum tax and final taxes payable under any of the provisions.

#### 2.5 Cash and Bank Balance

Cash in hand and cash at bank are carried at cost.

**Independent Examiner's Report**

**Report to the trustees/  
members of**

Charity Name  
Health Care 4 all international

**On accounts for the year  
ended**

31<sup>st</sup> January 2019

**Charity no  
(if any)**

1158474

**Set out on pages**

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

**Responsibilities and  
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent  
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below \*) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

*\* Please delete the words in the brackets if they do not apply.*

## AUDITORS' REPORT

We have audited the annexed statement of financial position of *Health Care 4 All International* as at 30 June 2019 and the related statement of operations and statement of cash flows together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the organization's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan / Azad Jammu & Kashmir. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- a) in our opinion, proper books of account have been kept by the organization.
- b) in our opinion:
  - i) the statement of financial position, statement of operations and statement of cash flows together with the notes thereon have been drawn up in conformity with the generally applied accounting principals and are in agreement with the books of account; and
  - ii) the expenditure incurred during the year were for the purpose of the organization's business.
- c) in our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of operations and statement of cash flows together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan/Azad Jammu Kashmir, and respectively give a true and fair view of the state of the Society's affairs as at 30 June 2019 and of its cash flows and changes in general reserve for the year then ended.

**TREASURER**

  
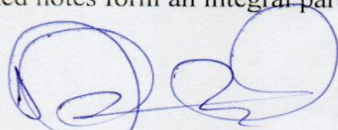

**PRESIDENT**

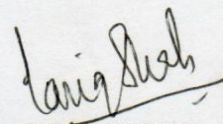

**Health Care 4 All International**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR YEAR ENDED 30 JUNE 2019**

**1- The Organization and Its Operations**

- 1.1 The Society was registered under the Society Registration Act, 1860 as a Non Profit Organization (NPO) by the name of HEALTH CARE 4 ALL INTERNATIONAL. The registered office of the Society is situated at State of Azad Jammu & Kashmir.
- 1.2 The principal objective of the organization is to provide health care, facilitation by use of Tele Medicine and Tele Health technology through a network of Community Health Worker (CHW) to remote rural communities in Azad Jammu & Kashmir (AJ&K) and Pakistan who otherwise do not have easy or any access to health emphasis on maternal and child health and prevention of diseases. In 2014, the operations were started from villages of Mawa Rarrah through the monitoring center at Rarrah Welfare Hospital serving approximately 100 to 150 thousand population. In 2017, the second monitoring center/Base Unit at Chakswari started operations. This unit serves to the population of approximately 70 to 100 thousand and includes dozens of small remote villages.

**2- Summary of Significant Accounting Policies**

**2.1- Accounting Convention**

These Financial statements have been prepared under the historical cost convention, except for measurement of certain financial instrument at fair value.

**2.2- Trade and other Payables**

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Organization.

**2.3- Fixed Assets**

Fixed Assets are stated at cost less accumulated depreciation at the rate indicated in Note No. 5. Depreciation is charged through application of reducing balance method. Full depreciation is charged in the year of acquisition of an asset and no depreciation is charged in the year of disposal. Major renewals and improvement are capitalized.

**2.4- Taxation**

The tax charged under clause 36 of section 2 of the Income Tax Ordinance 2001, by taking into account the current Income Tax Laws and recognized in the Income & Expenditure Account. The law allows a tax credit equal to 100% of the tax payable, including minimum tax and final taxes payable under any of the provisions.

**2.5- Cash and Bank Balance**

Cash in hand and cash at bank are carried at cost.
